

Prophetic Focus February 2020

Topic: God's Presence

Key verse: Proverbs 18:10 (NKJV)

The name of the Lord is a strong tower; The righteous run to it and are safe.

I see **hunger for the presence of God** increasing like never before in our lives, more especially with those people that have been Christians for a very long time. They will be experiencing a fresh encounter this season as I hear „The time of dryness is over“.

I see a **spiritual spring rain** falling upon God's people that will result in unusual miracles and spiritual breakthroughs for many. So let us position ourselves in order to receive it!

This month is a month of drawing closer to God like never before, for I see **spiritual shaking in the atmosphere** that will cause people to seek God. So let us pray that we don't have to wait to see bad things happen before we run to God.

I see how the healing ministry that has been prophesied over our church is starting with **inner healing of many souls** in this season. So let us pray for restoration of souls as we continue the campaign of Encounter Your Soul.

Watch out that we **don't make quick decisions** for very important things in our life this year as it would mostly backfire in a negative way. Let us take time to bring it to God in prayer and seek counsel before we decide.

This month I see that it is important that we seek God's presence like never before. This will bring us in a position where we will see a manifestation of glory and power in our life. I also saw that it's important that we **take time to quiet our soul in His presence** as He wants to commune with us on a deeper level and speak to us through our soul.

Let us still be watchful for the **spirit of heaviness** in this month of February. Let us not give up in our prayers as it is the last month for our watch against this spirit in this winter.
