

Prophetic Focus March 2020

Topic: Fresh Oil

Key verse: Psalm 92:10 (NKJV)

But my horn You have exalted like a wild ox; I have been anointed with fresh oil

I see a month of **God refilling our emotional and physical tanks**. It's also a month of changing all old habits that are responsible for our spiritual and physical stagnation.

Let us pray this month for **a fresh oil to come**, bringing us the love of God, the joy, peace and freedom to worship God like never before.

I see also fresh oil to solve difficult matters this season as the challenges to face difficult circumstances may arise.

I hear we should specially **pray for Switzerland** this month and season for wisdom for good decisions. Also pray for eastern Switzerland for protection from any natural disasters or any attacks of the enemy.

It's a month where we **position ourselves for blessings** as we do our part of washing, anointing and clothing ourselves according to Ruth 3:3 in order to meet our destiny helpers.

Let us do our best to **be focused** as we cannot afford to believe the lies of the enemy that we are cursed; for no one can curse what God has blessed!

Let us pray that our hearts will **not be deceived** by any circumstances or situations that arise this month as the greatest tool of the devil in this end time is that our heart will «wax cold».

As we know:

Love suffers long and is kind; love does not envy, love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails. But whether there are prophecies, they will fail; whether there are tongues, they will cease; whether there is Knowledge, it will vanish away. 1 Corinthians 13:4-8 (NKJV)

This month let us pray for all kinds of **relationships** like never before, that God will keep us together, united and strong in fulfilling His plans and missions on earth.

The Lord told us that it will be a year where He will give us a new level of revelations and visions. We will see clearer in the realms of the spirit than ever before. Therefore, pray against the **spirit of counterfeit visions** or evil dreams that can come to confuse and steal these prophecies.

The Lord told us that it will be a year of prophetic manifestation of our declarations. Therefore, let us pray for **positive declarations** on each other and on our situations
