

Prophetic Focus of August 2021

By Apostle John E. Sagoe

Topic: Spiritual Growth

Key verse: 2. Peter 3:18 (NKJV)

*but grow in the grace and knowledge of our Lord and Savior Jesus Christ.
To Him be the glory both now and forever. Amen.*

This month is all about **spiritual growth that will manifest in the physical**. I see a month of more understanding about our spiritual life. You are a spirit with a physical body. The next two months are very important months for our world. A lot of things are going to shift in the spiritual realm.

It's a month of **training people in the spiritual and prophetic** that will help us to be victorious above all that will be happening in this season.

I see a month where **prayer for at least 15 minutes every day** is so necessary and will help to go a long way in bringing us into an attitude of an overcomer and living victoriously, sayeth the Lord. May God open our **understanding as we read the Holy Bible** this season that will bring upliftment and transformation.

I see and hear we must **control whatever we allow to enter our mind**. We must open the door for the positive and close the door for the negative, as through these channels many of our battles are being established. Developing the fruit of the Spirit will help us to look and strive for the bright side of life and keep us in a **good humour and positive in everything we do**. The victory we will also ascertain this season will be based on developing a joyful state of mind. As we all know: **joy comes from within us**, when you do not allow negative thoughts and feelings to fill your mind. You don't allow external circumstances to decide over your joy.

I see victory in us exercising our God given faith, which will always help in the manifestation of the assignment God has given to us. As we look unto **becoming more and more like Jesus** this month.

I prophesy that **every decision** we make this month **will be based on what we see Christ doing** in the realms of the spirit.

I pray that whatever will happen in the next months that we all will be both spiritually and physically exempted from all evil and calamities.

Prophecies of the year 2021 to continue to pray for:

(Let us not forget to review again the Prophecy of the Year and pray for all, that the good ones will manifest, and that the bad ones will be uprooted and abolished in Jesus' name.)

Church:

- I see an **unusual manifestation of God on earth** this year.
- **People and the society will look onto the church**, not only for spiritual assistance and direction, but also for godly wisdom.
- There will be a **lot of manifestation of greatness** coming out of the church this year.

The People of God will start rising in different aspects of life:

- The signs and wonders manifesting in different churches around the world will almost look like a **healing and miracle revival**. By looking onto God we will see the fire burning more and more, and it will particularly flame up in nations that accept God as their god.
- There will be a lot of **creativity** rising in the Church as God will give His people direction. By this the Church will overcome every limitation and stigma that the world has put on us in the past years.
- The Church has to be careful because of the **spirit of pride that is going to rise** in the same level and that can affect the move of God. Let us watch our hearts and be careful not to forget the *God* that is behind great manifestations.
- God will be guiding His people in **having results** this year.
- He will pick up again those that have fallen, and if they humble themselves, He will put them back in the Church where they belong to. It is a year where **God will honor His church** like never before.
- I see a **year of spiritual eye opening** like never before.
 - The quest of this year is based on the **spiritual war**, and many things – good and bad – will be decided in the spiritual world. This will then manifest in the physical. On this account I saw **different nations going to war** physically. We must pray for the Body of Christ to win in the spiritual war so that those key nations won't be affected.
 - There will be an amazing encounter with the **Antichrist spirit**. We need to be careful not to fall victim to it, for the recruiting has begun at a very high speed.
 - Note: When we say Year of **Acceleration** it is **general**, meaning both in God's realm as well as in the devil's. So we will need protection and the spiritual armor like never before.
 - This year God is raising **key people** in the Christendom **around the world** that will unite for **spiritual gate keeping** in order to stop every calamity and every arrow the enemy has positioned against the Body of Christ. I see it bringing real order to the Body of Christ on a global, national and even on church level. Let us pray as this will also lift up the image of the Church.
