

Prophetic Focus of February 2022

By Apostle John E. Sagoe

Topic: The Lord our Advocate

Key verse: I John 2:1 (NKJV)

My little children, these things I write to you, so that you may not sin. And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous.

I see a month where God will be delivering His people from hard drug abuse, alcoholism and different addictions and strongholds.

I see a month that **people will be crossing over from the land of the dead to the land of the living**, from sin to righteousness, because our advocate Jesus, our Lord, is seated on the throne and fighting the battle for His children.

I also see a month where **Jesus** will be **empowering us** to manage all situations and **overcome any accusation of the enemy**. Therefore let us watch out for any attack coming from people through accusing us wrongly at work, in circle of friends, family or church, including ourselves accusing ourselves.

Revelation 12:10-11 (NKJV):

Then I heard a loud voice saying in heaven, "Now salvation, and strength, and the kingdom of our God, and the power of His Christ have come, for the accuser of our brethren, who accused them before our God day and night, has been cast down. And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death."

Therefore let us personally and **freely take the Holy Communion daily** as a sign of protection and covenant.

Note: There will be communion available in church every Friday and Sunday.

It's a season where God **will vindicate us** from injustice in this world. God will rescue His people from every injustice like child abuse, woman and human trafficking – God will expose it more and more.

I see Jesus standing up for us in the court of Heaven pleading our case before God in our favour.

There is **a lot of battles** going on this month in the spiritual world. So let us pray for God to open our spiritual eyes and ears so that **we will not become casualties** of this war.

Let us pray for grace to **take advantage of the crisis** and turn it around to work for our blessing.

Prophecies of the year 2022 to continue to pray for:

Our world will **continue to see the transformation**, that means we are not going backwards to the way we know things used to be. Evil will keep increasing, but God's goodness will also keep going to the next level. We will see the **remnant of God powerfully being used to do signs and wonders** as we are living in the season and time of the supernatural.

I see a **spiritual climate change** in the next quarter of the year which will result into **people rising more with spiritual hunger**. This will cause **the hand and power of God to begin to move specially within the Western World**, Europe and America in the same order.
