

Prophetic Focus April 2020

By Apostle John E. Sagoe

Topic: Positive Declarations

Key verse: 1 Peter 2:9 (NKJV)

But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light

I see a month where **what we say to ourselves** in this season is very important.

As fear is on increase in the world, so shall **our positive declarations and confessions increase.**

This is a month God is giving the church the **strategy for winning the invisible war.**

Just like in every war leadership is important. So who is your leader, your Moses or **your prophet?** „Look to them in times like these, for I – God - will be speaking to them for clear directions of victory.

Let's pray that the **media** will stop spreading the virus by magnifying it.

Watch out:

More people are going to die because of **fear** than of fever or coronavirus. So let's keep praying against fear.

Watch out against the leaders **politicizing the situation** and gambling with people's life because of ignorance. So let us use wisdom.

Good news:

I decree and declare **this virus' spread cannot rise past this month**, for the victory of the cross will overpower it in Jesus' mighty name!

Let us declare a month of positive speaking and these things will go away without a vaccine. Don't forget: We are in spiritual war.

David brought down the giant with his **declaration before it manifested** physically (1 Samuel 17:45-46).

Remember and keep praying with the following prophecies of the year 2020:

- This year we will see a quest for power like never before in **politics**. There will be political rebellion. We need to pray for our politicians like never before, especially for the Christians for their faith to be stable and that they will not give in to the end time pressure of Babylonian spirit that is rising in the political arena
- I also hear this year **our faith** will play an important role
- The Lord told us this: There is going to be **human trafficking and abuse** on increase in the nations of the world, more especially in countries that are having presidential elections this year
- I also hear it's a year of **God's judgement**. A lot of evildoers will be visited by God. So let us pray that God will guide us on our strategic prayers for our politicians

- Keep praying against **natural disasters** as they are going to be worse than in any previous year

Proverbs 18:21 (NKJV)

Death and life are in the power of the tongue, and those who love it will eat its fruits
