

Prophetic Focus of December 2020

By Apostle John E. Sagoe

Topic: Walking in Victory

Key verse: 1 Corinthians 15:57 (NKJV)

But thanks be to God, who gives us the victory through our Lord Jesus Christ

I see a month of **walking in victory**.

Don't forget: There is **no victory without a fight**. So don't be afraid to fight for life, fight for good health and to fight for a sound mind.

I see **victory over the thoughts of death or bad dreams** that will bring us fear and depression in this season, in Jesus' mighty name.

In this month of victory we will be able **overcome bad behaviours** and activities that invite death such as reckless driving, life-threatening sports, drug and alcohol abuse and other negative habits that display a death wish.

This month get ready for the **victory over wickedness of the coronavirus altar**. The time of this disease killing people is over in Jesus' mighty name.

Overcome every battle with **discouraging thoughts about giving up** the fight. For I see a month where the enemy wants to discourage us to give up the fight for total victory in this year. Therefore we uproot all negative talks in and around us, at the place of work, in our family etc.

Watch out to pray that **any tragedy** that the evil one is planning **on Christmas day** will be stopped and uprooted in Jesus' name.

Let us continue to pray against the spirit of **depression** this winter that might result in suicide and lead many people to losing their lives.

I also want to encourage us to **continue to pray with the following** prayer points as we have already started praying with them:

- Pray for our **eyes to be open spiritually**
- To always see the **mighty hand of God upon our lives** in every situation
- To know that **Jesus is with us** also in the storm and in difficult times
- Against **any attack coming from the Covid 19 crisis** that is still ahead of us
- That with the **vaccine** that will be developed there shall be no health challenges, side effects or medical error attached to it, in Jesus' mighty name
- Against any kind of **accidents** this season

Prophecies of the year 2020 to continue to pray for:

- There is going to be human trafficking and abuse on increase in the **nations of the world**, more especially in countries that are having presidential elections this year
- I also hear it's a year of **God's judgements**. A lot of evildoers will be visited by God. So let us pray that God will guide us in our strategic prayers for our politicians

- It is a year where we need to absolutely watch our **children** with extreme carefulness because there is a bad intention of people that want to use children in doing evil. So protection is going to be on very high demand for our children this year
- This year we will see a **quest for power** like never before in **politics**. There will be political rebellion. We need to pray for our politicians like never before, especially for the Christians, for their faith to be stable and that they will not give in to the endtime pressure of the babylonian spirit that is rising in the political arena
- Finally I hear the Lord say: Tell My people to get ready for this year I will be **transferring inheritance** of the wicked to the hands of the just. Especially I'm raising more and more Christians to strategically position them in the **Seven Mountains of society** so they can really make an impact in the world and lift the Church to the next level
