

Prophetic Focus of June 2021

By Apostle John E. Sagoe

Topic: Anointing for Favour

Key verse: Luke 2:52 (NKJV)

And Jesus increased in wisdom and stature, and in favour with God and men.

This month I see favour and grace to teach and empower the people of God like never before to rise and do the work of the ministry like in Ephesians 4:12 (NKJV):

[...] for the equipping of the saints for the work of ministry, for the edifying of the body of Christ.

I see a month where **anointing for favour will set us apart** for kingdom assignments.

As we know that the favour and grace of God are almost the same I see a month that will be centered around the plan of God for His people.

I see a month where God will **carry people from behind to the front supernaturally** to do what He has called them to do.

I see also a month where **prophecies that have been given a very long time ago** will begin to manifest in the lives of individuals and nations. So let us pray towards this.

I see a month we are being anointed for favour and this will at the same time **trigger an overflow and acceleration** in our lives this season.

The favour of God will be like a **force** and take us where we cannot go by ourselves.

No matter how hard the door has been that closed before us, **God will supernaturally open those doors** in His own accord at His own time.

This season I see the **blessings and favour of God manifest** in our ministry, our business and our handwork.

Watch out and **pray against any kind of loss**, meaning pray against any sudden disappearance of things or even people.

Let's pray that we will experience **God's acceleration** that will carry us above every limitation in Jesus' mighty name.

Our year of acceleration – God is in control.

Prophecy of the year 2021 to continue to pray for:

- Leaders in general (released on 04.01.2021, Week of the Altar)
 - o The Lord told me: Tell my people that we have to **pray for our leaders** this year: Leaders in the families, in organisations, in the political arena, in ministry, in companies and businesses, in working places, in every area we are leading something. Pray that **the Spirit of God will carry every leader** this year because there is a serious **attack that wants to hinder them**. Pray for divine protection, that they will prosper and accelerate in each of their areas and that they will experience breakthrough and favour in 2021.
