

## Prophetic Focus May 2020

By Apostle John E. Sagoe

Topic: Walking by Faith

Key verse: II Corinthians 5:7 (NKJV) *For we walk by faith, not by sight*

I see a month of trust, trust, **trust in God!** It is a month where God is calling us to fix our eyes on Him.

As we look onto Him we must **expect good news** this month as we can also call it a month of good news.

Watch out for **emotional rollercoaster** as we will need to trust God through the process this season.

It's time to also **come out of the COVID-19 mindset** as we are more and more physically coming out of the circumstances where we have found ourselves in over the last weeks.

Good news: It's a month where we can **dream big**. Again, therefore let us think big and dream big, because we have a big God.

It's a month of **rebuilding and reestablishing our covenant** with God.

We have paid the price, we have sown the seed. Let us position and prepare us for the coming harvest.

Hebrews 12:2 (NKJV)

*Looking onto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame and has sat down at the right hand of the throne of God.*

Prophecies of the year 2020 to continue to pray for:

- I also hear this year **our faith** will play an important role
- This year God will give us a **new level of revelation and vision**. We will see clearer in the realms of the spirit than ever before
- Get ready: It is a year of **prophetic manifestation of our declarations**. We will see a manifestation of the anointing, and the anointed one, Jesus, will be in full operation in our midst this year. Let us seek Him like never before because anyone who seeks Him this year will surely find Him
- In the **medical field** I see something like a scandal that will result in health problems and complications
