

Prophetic Focus of May 2021

By Apostle John E. Sagoe

Topic: Anointing for Breakthrough

Key verse: Isaiah 10:27 (NKJV)

It shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing oil.

This May is our month of **Anointing for Breakthrough** with encountering God's presence like never before to do things we could not do in the natural.

So this month let us be in expectation of **making outstanding progress** despite the limitations we might face, because God will manifest His power over us.

It is a month of **sweatless victory**, month of **winning with amazement**, month of **signs and wonders**, month of **impossibilities becoming possible**.

I see a month of **divine guidelines for** bringing us into the **realm of breakthrough** according to II Corinthians 1:21-22 (NKJV):

Now He who establishes us with you in Christ and has anointed us is God, who also has sealed us and given us the Spirit in our hearts as a guarantee.

Take note: Anything standing in our way as **strongholds** in order for us not to **possess our promised land** will be uprooted in Jesus' mighty name.

God always supports anybody that makes an **extra effort to win souls**, because He is delighted in seeing hell empty and Heaven populated with His people and glory!

May we see **breakthrough in** the following **areas of our lives**: Breakthrough in our worship life, breakthrough in our prayer life, breakthrough in our corporate life, breakthrough in our family life, breakthrough in our marriage, breakthrough in our education, breakthrough in our business, breakthrough in our health, breakthrough in our relationships and breakthrough in soul winning.

Prophecy of the year 2021 to continue to pray for:

- Nations of the world:
 - o I hear that many nations **will not recover** this year **from the damage of coronavirus**.
 - o What is frightening in the nations of the world this year: I see that all of a sudden **nations will begin to threaten nations** for something that is not really that weighty. This will become a very worrying and challenging situation for our world, but God will see us through in Jesus' name.
 - o Then I hear that we should watch out for an **increase of terroristic attacks**. We have to pray against terroristic activities.
