

Prophetic Focus of November 2020

By Apostle John E. Sagoe

Topic: God of Harvest

Key verse: Matthew 9:38 (NKJV)

Therefore pray the Lord of the harvest to send out laborers into His harvest

I see a month we will **labor for harvest**. Harvest is also planning for the future.

This new season starting from this November is going to be a season of harvest: individual harvest, harvest of souls and individual blessings.

So let's get ready, child of God! Let us position our mind, spirit and soul, so God can use us individually for the great harvest in the next two months.

I see mighty works being done in the Body of Christ with individuals for individuals. That's why we prepared **anointing oil** for us to use in this season.

The root of these prophecies is coming from the word God gave us on 5th July, the last day of our 7 days of fasting and prayer then.

It specifically said that starting from October we would see a **wind of encouragement for individuals**. In the same prophecy we also prophesied about the **coming winter depression and also suicide** (You can go and see the full prophecy on our YouTube channel "New International Church").

Watch out not to lose hope in the coming weeks for God is fully in control, and **light shines the best in the darkness**.

Let us continue to **pray against the spirit of depression** this winter that might result in suicide and lead many people to lose their lives.

I also want to encourage us to **continue to pray with the following** prayer points as we have already started praying with them:

- Pray for our **eyes to be open spiritually**
- To always see the **mighty hand of God upon our lives** in every situation
- To know that **Jesus is with us** also in the storm and in difficult times
- Against **any attack coming from the Covid 19 crisis** that is still ahead of us
- That with the **vaccine** that will be developed there shall be no health challenges, side effects or medical error attached to it, in Jesus' mighty name
- Against any kind of **accidents** this season

Prophecies of the year 2020 to continue to pray for:

- There is going to be human trafficking and abuse on increase in the **nations of the world**, more especially in countries that are having presidential elections this year.
- I also hear it's a year of **God's judgements**. A lot of evildoers will be visited by God. So let us pray that God will guide us in our strategic prayers for our politicians

- Concerning the **Church** I hear it's the year of overflowing harvest for those that sincerely seek Him. But the Church needs to open their spiritual eyes: The better we prepare for the harvest, the bigger it will be.
- It is a year where we need to absolutely watch our **children** with extreme carefulness because there is a bad intention of people that want to use children in doing evil. So protection is going to be on very high demand for our children this year.
- This year we will see a quest for power like never before in **politics**. There will be political rebellion. We need to pray for our politicians like never before, especially for the Christians, for their faith to be stable and that they will not give in to the endtime pressure of the babylonian spirit that is rising in the political arena
