

Prophetic Focus of October 2020

By Apostle John E. Sagoe

Topic: Grace to overcome

Key verse: Romans 12:21 (NKJV)

Do not be overcome by evil, but overcome evil with good.

I see a month where God will give us **grace to overcome every life's storm and challenge.**

I see a month where God will go with His people and **help us to do what we could not do by ourselves** and go to places where people normally would not go.

Grace for victorious living is bestowed upon God's people this month like never before; grace for excellent work personally, professionally, and kingdom wise in ministry.

I see a month we are called to position ourselves to **overcome by grace every sickness and disease** in Jesus' name.

Let us watch out and pray for **grace to do the right things** in times of spiritual and physical storms.

Good news: As we surrender everything to Jesus, **He will fight the battle ahead of us for the rest of the year.** I can hear in the realms of the spirit God saying: „Hold on because victory is on the way.“

Grace to be still in times of challenges of life and to focus on what God is doing is being released in this month of October. So be in expectation.

He will give us the grace to help us **overcome** every attack of the enemy, more especially **any storm that will arise this winter.** So let us keep our spiritual life and our prayer life in a very high standard as the Holy Spirit enables us this year and beyond.

However, we are entering a **season of testimonies for the Body of Christ.** So I see unusual testimonies emerging from people who are able to do things that they could not do before because of the grace that is being released this year.

Let us **continue to pray against the spirit of depression this winter** that might result in suicide and lead many people to lose their lives.

Also **pray for** the following:

- for our **eyes to be open spiritually**
- to always see the **mighty hand of God upon our lives** in every situation
- to know that **Jesus is with us** also in the storm and in the difficult times
- against **any attack coming from the Covid 19 crisis** that is still ahead of us
- that with the **vaccine** that will be discovered there shall be no health challenges, side effects or medical error attached to it, in Jesus' mighty name
- against any kind of **accident** in this season

Prophecies of the year 2020 to continue to pray for:

- Get ready: It is a year of **prophetic manifestation** of our declarations. We will see a manifestation of the anointing, and the anointed one, Jesus, will be in full operation in our midst this year. Let us seek Him like never before because anyone who seeks Him this year will surely find Him.
- This year we will see a quest for power like never before in **politics**. There will be political rebellion. We need to pray for our politicians like never before, especially for the Christians, for their faith to be stable and that they will not give in to the endtime pressure of babylonian spirit that is rising in the political arena.
- There is going to be human trafficking and abuse on increase in the **nations of the world**, more especially in countries that are having presidential elections this year. I also hear it's a year of **God's judgement**. A lot of evildoers will be visited by God. So let us pray that God will guide us in our strategic prayers for our politicians.
