

## Prophetic Focus September 2020

By Apostle John E. Sagoe

Topic: Prophetic Manifestation

Key verse: Luke 8:17 (NKJV)

*For nothing is secret that will not be revealed, nor anything hidden that will not be known and come to light.*

I see a month where God wants us to arise and **stop the manifestation of evil words and declarations** in our world.

I see a month where the Lord is **calling the Church in order**, where we will begin to see more and more prophetic manifestations. Don't forget: We can not separate Christianity from hearing the voice of God, which is prophetic.

Take note: Starting from October and November there will be a **wind of encouragement** because of what the Lord will be doing in the lives of believers. So let us position ourselves personally to have an encounter with the God of overflow. It will be a time of strengthening our faith and moving us to a higher calling.

Let us pray for grace to **overcome the religious judgement** that is coming as I heard it from the Lord: It will be a time of spiritual cleansing.

Watch out: **Pray against winter depression** that may result in suicide and cause many people to lose their lives.

Good news: **The righteous will be rewarded again**, sayeth the Lord, for their faithfulness. So don't give up and keep focussed. Because vindication and reward is on the way.

Let's **pray for the coming Prophetic School of Ministry** to be blessed in the following areas:

- Teaching God's word to the people
- Warning, instructing and encouraging them to live as God desires
- Hunger for the Word of God
- Discover the prophecy of your own life in the Bible
- Learn to focus on the assignment God has given you

Prophecies of the year 2020 to continue to pray for:

- Get ready: It is a year of **prophetic manifestation of our declarations**. We will see a manifestation of the anointing, and the anointed one, Jesus, will be in full operation in our midst this year. Let us seek Him like never before because anyone who seeks Him this year will surely find Him.
- **Natural disasters** are going to be worse than in any previous year.
- I hear the Lord say: Tell My people to get ready for this year I will be **transferring inheritance** of the wicked to the hands of the just. Especially I'm raising more and more Christians to

strategically position them in the **Seven Mountains** of society so they can really make an impact in the world and lift the Church to the next level.
