

Prophetic Focus of December 2021

By Apostle John E. Sagoe

Topic: Lift Him Up

Key verse: John 12:32 (NKJV)

And I, if I am lifted up from the earth, will draw all peoples to Myself.

Welcome to the month of December! **As we lift Jesus up**, there will be **a lot of surprises in our favor** this month. **He will do miracles** this season for His children. I see **deliverance** from poison, health challenges, accidents and all kinds of attack of the enemy.

Numbers 21:9 (NKJV): *So Moses made a bronze serpent, and put it on a pole; and so it was, if a serpent had bitten anyone, when he looked at the bronze serpent, he lived.*

I hear that in this season **our lives are going to be carried excessively in the hand of the almighty God** as we **look up to Him and lift Him up**.

Therefore I hear the Lord say it is a season of **spiritual mountain climbing** in the next three months up to February. But as we look unto Him and don't give up, He will give us strength.

Good news:

I see **new vision being birthed** in the spirit of many people this season. I see a release of strategies for business and kingdom advancement.

Things to **watch out for** in the month of December:

- I see the **spirit of deception** that will cause people to follow wrong counseling, and before they know it is too late.
- Let us continue to **pray against the fear in the atmosphere and bad weather** for this winter season that is ahead of us. May the hand of God protect us and our loved ones from every problem in this season.
- Let's **pray against any confusion spirit** that is causing people to work against their God-given destiny and their God-given assignment.

Prophecies of the year 2021 to continue to pray for:

(Let us not forget to review again the Prophecy of the Year and pray for all, that the good ones will manifest, and that the bad ones will be uprooted and abolished in Jesus' name.)

Politics:

- I hear that the Lord says we should **continue to pray for our politicians** (Note: 2020 there was a prophecy about judgment on politicians which we saw through the corona crisis)
 - o I see **serious confusion** that is rising in many governments this year. Because there is no understanding or agreement within them we will begin to hear about severe **disagreements** in parliaments which will seriously **affect the decision making** of nations. And this will put a lot of things on hold, and even in some nations these disagreements of the law makers will bring them backwards.

- I also hear that this year politicians will be making more **crazy laws** which are really unbelievable. Therefore we need to pray, because with the kind of laws we are going to hear about this year, you will ask yourself if they are really human beings or if they have lost their minds. You will see them as they are coming and you will remember this prophecy.

Medical field:

- I hear **the confusion continues**. This year we will continue to see all kinds of arguments and misunderstandings. We are trusting God that He will help us to come out of these medical scandals.
- Also this year there will be a very **heavy increase in the pharmaceutical industry** in terms of business, but it is not going to please or satisfy the people. I saw **demonstrations rising up** against the pharmaceutical companies or the medical world. It was like even the doctors were fighting each other and people coming against them as well. There is a serious **division** that will be surfacing more and more this year.
