

Prophetic Focus of July 2022

By Apostle John E. Sagoe

Topic: The Lord our Deliverance

Key verse: II Samuel 22:2

And he said: "The Lord is my rock and my fortress and my deliverer."

This month I hear **the Lord of vengeance and deliverance is going ahead** of us for protection and victory over any unpleasant situation.

There shall be **no loss of any person or thing** this season.

Let us pray and **declare** as often as we can that **there will be no casualties this summer**, in Jesus' mighty name. Let's **pray for God's grace and compassion on His people in Europe**.

I see a **spiritual shaking** coming, more especially in northern Europe. I see a kind of confusion in the atmosphere that will make it difficult for people to make the right decisions. As a result of that they will make more mistakes.

I see **open doors for digital information and business**, that God will bless the IT section **in the next three months**. So let us pray for the world of technology to be used to be a blessing to our world and not a curse.

Let us watch and **pray against any kind of explosion** in this summer. Also pray against **accidents** at working places.

I see the **Prayer Clinic this summer stopping the spirit of depression, confusion and going to wrong places** this coming holiday season.

Prayer Clinic is the time we come to the altar every Friday to pray for specific things in our lives and situations in our world.

You are my hiding place; You shall preserve me from trouble; You shall surround me with songs of deliverance. Psalm 32:7

Let us **keep praying for the heads of homes** in Europe to receive the **fire of the Holy Ghost and divine direction** for the next level. Pray that every father will arise in a new strength, anointing and glory to do the work of God.

I hear the Lord saying to the Church that we have to **be extremely careful this summer and take care of our children like never before** because the enemy is going around looking for whom to devour.

Pray and intercede not to give the enemy a chance to attack our children, even to the level of taking their lives.

Take this warning serious: If there is a summer where we must pray for our children – small and grown-up ones - it is now. Hear the word of the Lord?

Let us also **pray for the coming Prophetic School of Ministry** starting on 02. September as it is going to bring us closer to the move of God in our land and continent.

Pray also for all the participants and those that are still registering: Pray that they will be mega blessed and that they will find their God-given assignments.

Prophecies of the year 2022 to continue to pray for:

- It is a year of **individual authority that will carry us in the next three years**. That means the empowerment and the authority we are receiving today via the key can take us for the next three years, and then we will come like for renewal of our passport. We should manage it very well because it's an unusual power in our hand.
- I see that the world will experience the downside of it in those three years. Therefore we need **the key representing God's authority to overcome the plagues that are ahead of us**. Just like it was when the ten plagues of Egypt were directed against the ten gods of Egypt. That tells you that our battle is spiritual.
- **I see humans coming up with new strategic ways of attacking one another** by technology and science.
- In the **business world** there will be **more windows of opportunity for investment** and innovation in the area of industry and mechanics and technology.
