

Prophetic Focus of June 2022

By Apostle John E. Sagoe

Topic: The Lord our Anointing

Key verse: Acts 10:38

How God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him.

I see a month **the Lord will anoint His people with the Holy Spirit and power.**

We are living in the days of power. Therefore let us pray that this summer we will draw closer to God than ever before as I see a season of **divine protection and coverage.**

These have power to shut heaven, so that no rain falls in the days of their prophecy; and they have power over waters to turn them to blood, and to strike the earth with all plagues, as often as they desire. Revelation 11:6

I see **spiritual fatigue** that is coming upon some Christians this summer and wants to lead them to take holiday from the things of God. But I prophesy we will overcome that negative spirit in Jesus' mighty name.

I see how God is **removing every spiritual blindness** from His people to expose whatever is hidden. So in the next two months **get ready for wisdom** to handle the new you and all that will be revealed to you.

Good news: I see a **season of recovery of lost things**, lost relationships, lost jobs, lost ministries and any other thing we have lost. Let us be in expectation to recover them all in Jesus' mighty name.

Watch out that we are **not wrongly positioned**. Let us be careful not to miss our **harvest** because of being in the wrong place. Therefore any spirit fighting our harvest be uprooted in Jesus' mighty name.

Just like Hannah ran to the altar in Shiloh and her story changed for good, I pray in the next three months as we come to God may we see a transformation taking place in every area of our lives.

I see the **Prayer Clinic this summer stopping the spirit of depression, confusion and going to wrong places** this coming holiday season.

Prayer Clinic is the time we come to the altar every Friday to pray for specific things in our lives and situations in our world.

May the **prophetic act of the mantle** that stands for the Spirit of God, the **key** that stand for authority and power, and the **anointing oil** work mightily in our lives this season as we receive them in this year's PUSH weekend Conference in Jesus' mighty name.

Let us **pray** like never before **that we will not lose our prophetic mantle**, that we will **develop a prophetic culture** that will set the captives free, deliver the oppressed and bring us to our place of freedom and fulfilling our God-given mandate. So let us register for the coming **Prophetic School of Ministry**.

Prophecies of the year 2022 to continue to pray for:

Let us pray for the Lord not to allow the following prophecies to double this year:

- Politics
 - o I see **serious confusion** that is rising in many governments this year. Because there is no understanding or agreement within them we will begin to hear about severe **disagreements** in parliaments which will seriously **affect the decision making** of nations. And this will put a lot of things on hold, and even in some nations these disagreements of the law makers will bring them backwards.
 - o I also hear that this year politicians will be making more **crazy laws**
- Nations of the world
 - o I hear that many nations **will still not recover** this year **from the damage of coronavirus**.
- Medical field
 - o I hear **the confusion continues** in terms of misunderstanding and mistrust in the area of medical scandals.
 - o There will be a very **heavy increase in the pharmaceutical industry** in terms of business we will be hearing a lot of those inventions, like vaccines etc, even new other things about medicine, new stuff.
