

Prophetic Focus of May 2022

By Apostle John E. Sagoe

Topic: The Lord our Wonder

Key verse: Psalm 72:18 (NKJV)

Blessed be the Lord God, the God of Israel, who only does wondrous things!

This month of May we are expecting to hear and see the **wonder of God** manifest in our lives and our world like never before.

It is a month where we will see **more results than the efforts** we put in.

There shall be a **multiplication in our seeds**, whether **good or bad**. So let us watch out about the seeds we sow in this season.

I see a month things will be moving in God's speed. It is a season of **divine amazement** for the **nations of the world**.

I hear that as we **intercede for nations** this month, God is going to carry out miraculous works in governments and among leaders in different areas in life.

Watch out for **an increase of attacks in different institutions**, organisations and companies as I see them working against each other this season.

Good news: It's a month and season of **new relationships starting** that will result into **successful ending** like e.g. marriages and Partnerships in business and ministry etc.

When we talk about the Lord our wonder, it means that everything about God will begin and end with wonders. He carries out miraculous works and He alone can do great wonders.

We are in expectation of mighty wonders this month. Therefore I hear that if we can **give the best of our worship by dancing**, dancing, dancing, **we will experience divine joy, victory and signs and wonders**. So let us have a minimum of **30 minutes of dancing before the Lord every day** this month.

Then David danced before the Lord with all his might; and David was wearing a linen ephod.

II Samuel 6:14 (NKJV)

Also consider Habakkuk 1:5 (NLT):

The Lord replied, "Look around at the nations; look and be amazed! For I am doing something in your own day, something you wouldn't believe even if someone told you about it."

Prophecies of the year 2022 to continue to pray for:

- I see that the world will experience the downside of it in those three years. Therefore we need **the key representing God's authority to overcome the plagues that are ahead of us**. Just like it was when the ten plagues of Egypt were directed against the ten gods of Egypt. That tells you that our battle is spiritual.
- **I see humans coming up with new strategic ways of attacking one another** by technology and science.

- In the **business world** there will be **more windows of opportunity for investment** and innovation in the area of industry and mechanics and technology.
