

Prophetic Focus of September 2022

By Apostle John E. Sagoe

Topic: The Word of Lord

Key verse: Matthew 24:35

Heaven and earth will pass away, but My words will by no means pass away.

This month we are focussing on the **power of the Word** as we will see **more manifestation of His glory and power** in our churches than ever before.

I see a month of **spiritual eye opening** through the revelations God will show us through **His Word**.

The **joy of studying the Word** is coming back to the Church like never before.

I see also people being **rooted** in the Word of God with a deep understanding.

I see the Word of God **making impact in every area** of our lives, families and society.

Take note: This is the third month of the following prophecy:

*I see **open doors for digital information and business**, that God will bless the IT section **in the next three months**. So let us pray for the world of technology to be used to be a blessing to our world and not a curse. (Prophetic Focus for July 2022 by John Sagoe)*

So this month I see **the Word of God going far through digital information and technology**. So let us make use of Facebook and other Social Media like never before to affect our generation!

Watch out:

I see **an increase of evil sacrifice that will affect those people of God that are spiritually sleeping**.

There is an **increase of the spirit of confusion that is starting to build up towards this year's winter and people will begin to cross over to the side of the devil, being convinced that they are doing the right thing!**

But there are also good news:

I see more and more **people encountering God's power in a special way**. I also see like a **whole community** surrendering to Jesus as their Lord and personal saviour. Also people that are in strategic positions are **openly confessing Jesus**.

We are entering **the season of prophetic blessings and more awareness and understanding** of the prophetic ministry in Europe.

Let us also continue **to pray for the Prophetic School of Ministry** starting on the 2nd of this month as it is going to bring us closer to the move of God in our land and continent.

Pray also for all the participants and those that are still registering: Pray that they will be mega blessed and find their God-given assignments.

Prophecy of the year 2022 to continue to pray for:
