

Prophetic Focus of October 2022

By Apostle John E. Sagoe

Topic: The Lord our Life

Key verse: John 10:10

The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.

I see a month of **total surrender to Jesus**, as the Lord of our lives will bring us mega breakthrough and victory.

It is a month where the **favour of God** will move us forward like never before this year.

This month I see the **power of thanksgiving and gratefulness** working in our favour.

It is a **month of overcoming any kind of test** we have been involved in before now.

There shall be victory in birthing new things in every area of our lives.

I also see a season of mighty deliverance in any area that we have been stagnated in the past.

I see the **spirit of remembrance** for good and bad manifesting in our midst.

I also see **healing** for people with **poor memory recall**.

Watch out:

Spiritual warfare will intensify. This may result in spiritual casualties for those that are disconnected from God's plan over their life.

Pray that no member of our families, both spiritual and physical, shall die this winter.

Any sickness and disease that comes this season shall pass over us in Jesus' mighty name!

Any **major attack being planned against our nations** shall not prosper this season, and every power of terrorism and evil shall be uprooted, in Jesus' mighty name!

Good news:

I see October as a month of **sweatless victory** for everyone that is **walking in the way of the Lord**.

Get ready to be edified and elevated with the prophecies over our lives that have already been pronounced or will be pronounced this season.

I see a time of **refreshment and restoration** as the Spirit takes over our soul and body in the coming Hour of Encounter Prayer Conference from 03. – 06. November.

Prophecies of the year 2022 to continue to pray for:

- I see the **struggle of coronavirus crisis into next year** – up to 2023 - with up and down challenges, unless our leaders surrender to God quickly with declaration for total forgiveness.
- It is a year of **individual authority that will carry us in the next three years**. That means the empowerment and the authority we are receiving today via the key can take us for the next three years, and then we will come like for renewal of our passport. We should manage it very well because it's an unusual power in our hand.

- I see that the world will experience the downside of it in those three years. Therefore we need **the key representing God's authority to overcome the plagues that are ahead of us**. Just like it was when the ten plagues of Egypt were directed against the ten gods of Egypt. That tells you that our battle is spiritual.
- **I see humans coming up with new strategic ways of attacking one another** by technology and science
