

Prophetic Focus of December 2022

By Apostle John E. Sagoe

Topic: God with us

Key verse: Matthew 1:23

“Behold, the virgin shall be with child, and bear a Son, and they shall call His name Immanuel”, which is translated, “God with us.”

I see a month where **many that have suffered stagnation and setback** in 2022 will begin to hear **good news and promotion** as we close up the year.

I see a month of **God’s manifest presence, peace, joy and victory** that will bring us closer to God than ever before.

I hear the Lord say: “Position yourselves for **divine revelation and prophetic dreams** that will bring you forward and redirect your destination from wrong to right”.

I see an **attack that wants to lead people to make wrong decisions**. Therefore let us pray **especially** for our **key leaders** this month and season, for their wrong decisions would result in loss of lives and more blood shedding on family level, corporation and organisational level as well as on national and international level.

I see **attacks in shopping centers, departmental stores and market places**. So let us pray that every attack in these places will be uprooted this season in Jesus’ mighty name.

This month our **ability to forgive** will open wells of joy, will take away sorrow and help us to focus on what is important and to become better versions of ourselves.

Pray against any trap of the enemy to bring God’s people into **wrong company**, for I see a month where **temptations to do evil** are on increase.

Let us pray against any spirit of distraction and ignorance that wants to hinder us from **preparing well for 2023**.

Watch out:

Let us pray against the spirit of negligence in taking care of ourselves that will result in health attacks and even sudden deaths before 2023, more especially among key leaders.

Let us continue to pray that **no member of our families**, both physical and spiritual, **shall die this winter**. Any sickness and disease that come this season shall pass over us in Jesus’ mighty name!

Any **major attack being planned against our nations** shall not prosper this season, and every power of **terrorism** and evil shall be uprooted in Jesus’ mighty name!

Good news:

I see **provision for assignments that God has given to us** in this season and beyond.

I see **solutions for difficult situations** that have been there for a very long time.

Prophecies of the year 2022 to continue to pray for:

- I see the **struggle of coronavirus crisis into next year** – up to 2023 - with up and down challenges, unless our leaders surrender to God quickly with declaration for total forgiveness.
- It is a year of **individual authority that will carry us in the next three years**. That means the empowerment and the authority we are receiving today via the key can take us for the next three years, and then we will come like for renewal of our passport. We should manage it very well because it's an unusual power in our hand.
- I see that the world will experience the downside of it in those three years. Therefore we need **the key representing God's authority to overcome the plagues that are ahead of us**. Just like it was when the ten plagues of Egypt were directed against the ten gods of Egypt. That tells you that our battle is spiritual.
- **I see humans coming up with new strategic ways of attacking one** another by technology and science
