

## Prophetic Focus of June 2023

By Apostle John E. Sagoe

### Topic: Time for Miracles

Key verse: Acts 19:11

*Now God worked unusual miracles by the hands of Paul.*

We are expecting to see **miracles** this month and beyond.

As I see a **new season ahead of us**, God is encouraging us to position ourselves for **praying in the Spirit at least for 15min each day** in order to **keep Heaven open over us** in what He has already started during the conference.

I see more and more **increase of labour pain** this month that will **result into a joyful birth of miraculous things**. So let us not give up when we are in labour pain, but be aware that miracles are about to be birthed.

I see a month where we need to **intercede for the economy** for financial provision for our nation as well as our personal economy.

Let us **pray this month for our children**, especially when they are out for school holidays, excursions or even playing outside.

I see also it's a season we have to be very careful about **any unexpected attack of the enemy** in and around **this holiday season**.

Let us **keep our leaders in prayer** to overcome every spirit of depression and confusion **in making decisions**. Pray that they will make the right decisions even in details as more and more challenges are on the way.

I see a month where we have to **be divinely focussed on God's way and strategy** in order to **bring about miracles**, which most of the time will be a very simple way of doing things!

Good news: I see **divine acknowledgement for faithfulness**: God is rewarding His people for hard labour this season.

Watch out for any **attack on our faith and our faithfulness** in the Kingdom this season.

Prophecies of the year 2023 to continue to pray for:

Church of Jesus Christ globally:

**Churches that are not ready for changes this year cannot survive the next two years** because God will move in an unusual **speed** to **prepare** His church **for the end time harvest**.

- God is **warning** the Church: We missed the last two years of **window of opportunities**. **We must not miss the coming one**.

- Be reminded: **God is working things towards the 1000 years of millennium** where the Church of Jesus Christ will rule the world again. **The full manifestation of the power of the Church** will be seen in an extraordinary way on earth, more than it was at the beginning.
