

Prophetic Focus of February 2024

By Apostle John E. Sagoe

Topic: Holy Spirit Month

Key verse: Romans 8:14

For as many as are led by the Spirit of God, these are sons of God.

February is our **month of spiritual emphasis with a focus on sanctification and salvation.**

I see a month where we are focusing on the **person and the personality of the Holy Spirit, expecting a supernatural move of God** in our individual and corporate lives.

I see a month where we will make a lot of **spiritual journeys** and see **supernatural manifestations.**

This is a month where the Holy Spirit will help us to make **sound decisions** regarding our lives in general, but also for helping us with our career, education, relationship or ministry.

God will expose the work of the evildoers in individual life as well as in organizations on national and international level.

I hear we should **pray for families** against any evil that is planning to bring fight and division particularly this month of February.

I also see **protests and conflicts in different nations** that are **increasing** this month.

Watch out for any **deception spirit** that will be operating in people, more especially **in people that have been rooted** in a particular place or organization **for a very long time.** Because the enemy wants to do everything possible to uproot them.

Good news: There will be an **acceleration of blessings and reward to services in the Kingdom** this month.

Prophecies of the year 2024 to continue to pray for:

- We will see a **big separation**, like it has been said before, **between the true Christians and the fake.**
God is manifesting His power on the Church like never before with the Christians that are rising to do the work of God.
So Switzerland, get ready, because this year we will see the **mighty move of God starting in our various homes.**
- To the glory of God this is a **year full of the mighty hand of God**, like we have never seen before. Therefore, let us watch **our children**, more especially because **a lot of prophetic gifts and a lot of prophetic words will be given to them** in physical and in dreams.
I also see **in our churches the rising of new gifts and the grace to carry them out.**
- We are going to see **more and more unusual ways of doing church** in Switzerland and in Europe **and God will glorify Himself.**
