

## Prophetic Focus of August 2024

By Apostle John E. Sagoe

### Topic: Godly Foundation

Key verse: I Corinthians 3:11

*For no other foundation can anyone lay than that which is laid, which is Christ Jesus.*

This month we will see more and more that **Christ is the spiritual foundation and basis** upon which our faith and our life should be built.

The **foundation** can **determine how far** a building, thing or person **can go** in life.

I see a month of **spiritual and physical preparation** for what is about to happen in our world in **the next 5 months**:

- **Those in faith** will get **stronger, more stable and spiritually more powerful**. Through how they position themselves they will be able to solve political and economic problems, and thereby overcome the spiritual and physical shaking which is coming to our world.
- I see a month of **confusion for unbelievers and unstable Christians** as their belief system will come under attack, forcing them to take side - godly or ungodly.

This season I see **churches taking** more and more **their spiritual position in our nations**. And God will again remember His church and use her as a **tool to save many from spiritual condemnation**, just like He did with Covid 19 season.

Note: Let us **continue to pray against all evil altars of water and against any destructive natural disasters** or accidents. We plead the blood of Jesus that the killing of innocent people must stop in Jesus' name.

Good news:

We will hear **more and more** about **the miraculous hand of God and His saving power** among His people this season.

We will hear more creative miracles manifesting in our churches.

We will hear people recovering from long time challenges.

We will hear mighty deliverance coming out of the Prayer Clinic and Sunday services.

God will give us **wisdom and ability to solve complex problems** this season.

Here are **some prophetic declarations** to prepare us for the coming PSOM season in NIC global, being the host of this year's mega prophetic school with the topic HIS VOICE:

- We declare that our physical and spiritual foundation can never be shaken.
- We declare Jesus Christ as our basis and foundation of anything we do.
- We declare no matter how many loads we may carry this season, we will never go down below the ground level, in Jesus' mighty name. We will stay on top in every situation.
- We declare spiritual and physical stability.

Prophecy of the year 2024 to continue to pray for:

Church of Jesus Christ globally - Different kinds of people in the Church:

I hear clearly that in 2024, there will be a **separation between the people of God and the people of this world**. Therefore, **there will be four different kinds of people** that will be **in the Church**. God is warning us to be careful not to fall in the wrong category of people. For scriptural understanding, read Mark 4:15-20. There you will find the following four different kinds of people in the Church:

- There are the people nr 1, when they come to church and **receive the message of God, Satan will come and take it away from them as quickly** as possible.
- There are the people nr 2, when they receive the message, even though they **receive the message with gladness, it will not go deep in them**. And when trouble and persecution come – which *will* come – they will **give up** the message. And therefore, they will fall.
- The third kind of people in the Church will also **receive** the message, **and then the worry of this world begins to arise** and cause them to be **lovers of riches** and to desire things. This will cause them not to bear fruit and to lose the message.
- But good news! There is the fourth kind of people in the Church. These are the people I call the **“faith people”**. **They will receive the message, they will accept the message, and they will run with the message and they will bear fruit** – some thirtyfold, some sixtyfold, and others a hundredfold.

Can I prophesy: You and I belong to that group! I say you and I belong to that group in the name of Jesus!
