

Prophetic Focus of May 2024

By Apostle John E. Sagoe

Topic: Anointing

Key verse: Acts 10:38

[...] how God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him.

This month we will see more and more the **yoke being destroyed because of the anointing**.

I see a month of **special endowment of the Holy Spirit** that will help us as a church and as individuals to fulfil our God-given assignment.

I hear we should **pray against any strange sickness** that wants to attack our body or people around us and that is trying to bring negative news into our families.

Let us pray and be **watchful over this coming summer**:

I see **in the atmosphere activities of negative altars** that want to manifest in different kinds of calamities such as accidents, natural disasters and also quarrels between individuals and in families.

The Lord is calling us this season **to intensify our prayer clinic altar for this summer** more than ever before.

I see **people being distracted into a wrong kind of lifestyle** which also brings them to wrong places at the wrong time.

Watch out for an **increase of spiritual laziness**, fatigue and procrastination.

Good news:

I see **many churches being strengthened this month** to do great things for God and His Kingdom, moving **from the defensive to the offensive**.

This Mission Week I see **many people moving into their place of assignment and many spiritual eyes opening**.

I also see a season of **sweatless victory** because God will reward His people for the work they are doing in the Kingdom. Supernatural blessings will be bestowed upon God's people beyond human imagination. It's **a season of divine remembrance**, just as God remembered the house of Cornelius in Acts 10.

We should expect to see the **evidence and the manifestation of the anointing in the following areas** this season:

- We will hear messages that will stir up our spirit
- We will hear songs that will move us spiritually and prophetically
- We will see people being saved with little effort
- We will see people being slain in the Spirit in our services
- We will see people being healed by the power of the Holy Spirit
- We will witness messages spoken in tongues and interpreted for the Body of Christ in the church services
- We won't be able to stop weeping or laughing in the presence of God this month
- We will see people giving words of wisdom followed by clear prophetic directions

- We will see people giving words of knowledge and they will manifest speedily

All this and more will be signs and an evidence of the anointing in the Church this season.

Prophecy of the year 2024 to continue to pray for:

- Altar Sacrifice

Prophecy nr 2 concerning the Body of Christ:

God said we have to **warn the Body of Christ**. The Church will be weak if we don't **wake up to understand the sacrifice on the altar** because the evil world will increase in blood shedding more than 2023. Therefore, we need as the Church to wake up to the altar sacrifice!

We need to wake up as the Church and learn and study deeply what altar sacrifice is and what an altar is. Otherwise, we and our children will be in trouble.

Because we are living in the world in 2024 that the secret societies are going to another dimension of wickedness. The kingdom of darkness is rising to another dimension of destruction.

So we have to wake up. We have to wake up and we have to understand that in the spirit world, **altars are very important in the spirit world** and we have to understand that in the spirit world,

God has given us power on the altar. We must learn how it works because originally this was given to *us*. And we cannot allow the evil world and the secret societies to use it against us, against our children, against our family and against our churches. We must wake up.

The Church must rise and raise an altar to stop the rising of evil in our world and blood sacrifice that is on increase this year.
