

Prophetic Focus of August 2026

By Apostle John E. Sagoe

Topic: Vision

Key verse: Proverbs 29:18

Where there is no revelation, the people cast off restraint. But happy is he who keeps the law.

I hear that August is **a month to seek God's vision**, align with His purpose, and move forward with clarity.

God is calling His people to lift their eyes beyond present circumstances and embrace His divine direction for their lives, families, ministries, businesses, and nation.

This month we are going to **pray for the following**:

- Opening of our spiritual eyes to see His plan
- Replacement of confusion with divine clarity
- Revelation of hidden opportunities and strategies
- Restoration of lost dreams and renewal of hope
- Courage to pursue our God-given assignment
- Connection with the right people for our next level
- Removal of every veil that has hindered our spiritual perception
- Deeper love for God than ever before because we can see more clearly into the spiritual realm

According to Scripture, the **eighth month** is commonly associated with **new beginnings**, a fresh start, resurrection, renewal, and new order.

Therefore, I see God bringing us into a new circle in this eighth month of the year.

I see that things that have been hidden for a long time will be uncovered.

Things that were misplaced, forgotten, delayed, or even stolen shall be found.

Dreams that seemed buried will come back to life.

Opportunities that appeared to have passed us by will be returned.

Relationships that God has ordained will be restored according to His perfect will.

In this month of August, I also see:

- Fresh revelation from God
- Clarity of purpose and direction
- Focus on God's calling for our lives
- Renewal of dreams that have been delayed or forgotten
- Discernment of the times and seasons

- God helping us to make strategic decisions under the guidance of the Holy Spirit
- Preparation for the fulfillment of what God has spoken to us already about the prophetic words over our lives

Let us also **continue** this summer to **pray against natural disasters** such as earthquakes, floods, fires, accidents, or any other water-related disasters.

I believe the Lord is also calling us during this **Prayer Clinic** on Fridays to **pray strategically with the *Mysteries of Prayer* book** and to faithfully bring every incident of natural disaster before Him in prayer.

We also want to **remain open for what the Holy Spirit will reveal to us** apart from what is listed in the Prophetic Focus, especially for those who are leading in the Prayer Clinic.

I hear the Lord calling us to **begin praying and interceding now for the Praise Festival Week** from 6th to 11th October, because of the great things God wants to do in Switzerland and across Europe during that week.

During this program we will have 72h non-stop worship, a leadership seminar, a gospel concert and a Thanksgiving Celebration on Sunday.

Prophetic word for 2026 to continue to pray for this month:

Social Media

It is a year of **evil manifestation of social media**. So parents, take care of your children. Indeed, there will be evil rising in our social media **like we have never seen it before**.

We will need to watch out for **evil transactions that will be on increase to divide relationships**, destroy families, scatter churches and **bring lawlessness agenda and Antichrist agenda to the surface**.

And this propaganda, sayeth the Lord, will be fuelled by online services, all manner of social media tools, including AI.

So parents, husbands, everybody, be alert. Because this year a lot of destruction will be coming from that place. It's going to be a tool of the Antichrist for this year.

This year we are going to hear a lot of news coming out of social media and many of these reports will involve all manner of atrocities, evil exposures, blackmailing, and at the same time bringing greater confusion into our world.

The **primary target will be to destroy the successful Kingdom people**. But I hear the Lord say we should not worry because what the enemy meant for evil, **God will turn it around for the good of the Church**.

Therefore, if you do not have a thick skin and emotional stability, you can become emotionally disorientated. And in that way, your career can be in danger or even destroyed through this means of social media war.

Therefore guard your heart, strengthen your mind and stay grounded in the truth and in the wisdom of God.
