Prophetic Focus of December 2026

By Apostle John E. Sagoe

Topic: Expectation

Key verse: Romans 8:19

> *For the earnest expectation of the creation eagerly waits for the revealing of the sons of God.*

Welcome to our month of expectation.
Take note: **Expectation** is more than wishing that something good or bad will happen. It is an **attitude of the heart that looks towards the future with confidence in God to see the manifestation of what God intended to do for good.**

As we celebrate this month the birth of Jesus Christ and prepare for 2027, **let our expectation be directed towards**…:

- greater spiritual maturity
- a deeper relationship with Christ
- family restoration and peace
- divine wisdom and direction
- healing and renewed strength
- fruitfulness in ministry
- revival and evangelism throughout Europe

I see a month where God is calling His people to **be watchful against sudden attacks as the enemy is doing everything he can** and working overtime to cause havoc in this last month of 2026. So as God has already prepared us, let us be watchful.

Let us pray for those that are celebrating their **birthday in this month of December** for mega divine protection. If this is your month of birthday, don't forget to pray a week before and to come to the altar of your church for prayers.

Good news:
I see a month where **God will reveal things** to us individually **before they happen**.
Let us pay attention to our spirit of discernment, sensitivity and intuition because I see a lot of prophetic grace released in this month.

The last three Sundays of this month, God is calling us to do **prophetic prayer lines** for the participants of our church services. God will use these prayers to bring direction, protection and elevation against any plan of the enemy in our preparation towards the new year.

Prophetic word over **Switzerland and Europe** we should continue to pray for:

I saw in the realms of the spirit how a cloud was gathering over Europe - a cloud gathering to bring a **heavy atmosphere of depression over Europe** towards this year's winter months.

But the Lord said, I should tell His people, no weapon formed against you shall prosper. No weapon fashioned against the Church of Jesus Christ shall prosper. No weapon fashioned against God's people shall prosper.
Therefore, let us arise. **Let us rise as the Church of Jesus Christ and push back every spirit of depression coming against Europe**, in the mighty name of Jesus.
Let us pray that people will not be overcome by fear.
Let us pray that people will not be subdued by darkness.
Let us pray that hopelessness will not prevail.
Let us pray that people will not die.
We pray that despair will not take over our cities, our families, our young people, or our nations.

Section of the Prophetic word for 2026 to continue to pray for this month:

Prophetic word about Social Media

It is a year of **evil manifestation of social media**. So parents, take care of your children. Indeed, there will be evil rising in our social media **like we have never seen it before**.
We will need to watch out for **evil transactions that will be on increase to divide relationships**, destroy families, scatter churches and **bring lawlessness agenda and Antichrist agenda to the surface**.
And this propaganda, sayeth the Lord, will be fuelled by online services, all manner of social media tools, including AI.
So parents, husbands, everybody, be alert. Because this year a lot of destruction will be coming from that place. It's going to be a tool of the Antichrist for this year.
This year we are going to hear a lot of news coming out of social media and many of these reports will involve all manner of atrocities, evil exposures, blackmailing, and at the same time bringing greater confusion into our world.
The **primary target will be to destroy the successful Kingdom people**. But I hear the Lord say we should not worry because what the enemy meant for evil, **God will turn it around for the good of the Church.**
Therefore, if you do not have a thick skin and emotional stability, you can become emotionally disorientated. And in that way, your career can be in danger or even destroyed through this means of social media war.
Therefore guard your heart, strengthen your mind and stay grounded in the truth and in the wisdom of God.
