

Prophetic Focus of July 2026

By Apostle John E. Sagoe

Topic: Kingdom Living

Key verse: Revelation 21:2-3

Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, from God prepared as a bride adorned for her husband. And I heard a loud voice from heaven saying, „Behold, the tabernacle of God is with man, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God.“

This month, God is calling His people **to live as Kingdom citizens** and not merely as earthly observers.

As Kingdom citizens, we are not called to live in fear because of wars, economic uncertainty, global instability, media overload, and many other things that are unfolding in our world today. Let us not go below our potential, because - as the Bible says - we are receiving a kingdom, which cannot be shaken.

Let us watch out, for **spiritual deception** is one of the greatest dangers of this generation. I see false teachings, half truths on Biblical doctrines and spiritual confusion on increase this month.

I see a month where the enemy wants to use unnecessary business to keep believers from intimacy with God. Therefore, I see the **spirit of distraction** at work this season.

I also saw an increase of the pressure to conform to worldly culture, and this would result in compromising. But let us remain holy and Spirit-led.

This month we need to watch out for **prophetic negligence**. Many believers ignore the voice of the Holy Spirit because He does not confirm what their flesh wants to do.

Let us also watch out for **prayerlessness** that weakens our spiritual authority. God is calling us this month to **become people of prayer and intercession**.

This is a **season of kingdom advancement and not surviving mood**. God is looking for believers who represent Heaven on earth and therefore live with purpose and Kingdom vision.

God is calling us this month **not to overlook spiritual signals because it might cost us badly**. So before making any major investment this month, make sure you have correctly interpreted the signals and weighed the risk.

The enemy is seeking to deceive people into making hasty decisions this season that lead to **unnecessary losses**.

Let us **continue to pray against any natural disaster** like earthquakes, flood, fire accident, or any water accident.

Let us also come against **any kind of calamity during this Football World Cup** that the enemy has released in this summer.

I believe the Lord is also calling us during this **prayer clinic** on Fridays to **pray strategically with the Mysteries of Prayer book** and also to faithfully take every incident of natural disaster into prayer.

We also want to open up to **listening to what the Holy Spirit will reveal to us** apart from what is listed in this Prophetic focus, especially for those that are leading in the prayer clinic.

I hear the Lord calling us to already start now to pray and intercede for the **Praise Festival week** from 6th to 11th of October because of the great things God wants to do in Switzerland and in Europe in that week. During this program we will have 72h non-stop worship, a leadership seminar, a gospel concert and a Thanksgiving celebration on Sunday.

Prophetic word for 2026 to continue to pray for this month:

In this year 2026, **our year of the Holy Spirit**, I see the Holy Spirit working in four dimensions in our world:

1. He is transforming hearts of people
2. He builds unity and peace in families this year
3. He changes atmospheres of cities this year
4. He redirects destinies of nations this year
