

## Prophetic Focus of June 2026

By Apostle John E. Sagoe

### Topic: Light over Darkness

Key verse: Isaiah 60:1

*Arise, shine, for your light has come and the glory of the Lord is risen upon you.*

This month, **the Lord is calling us to become light in darkness**, to reflect God's glory, to influence the world positively and to demonstrate God's character and power.

I see a month where God is calling His people to **wake up spiritually**, to rise above fear and intimidation, to step into purpose and to move from discouragement into destiny. It is a month of walking in victory over challenges and opposition.

I see an **unprecedented overcoming anointing** coming on different individuals **as they press on** and focus on the things of God. Their endeavours will be accompanied by divine strength and lead into triumph and breakthrough.

Light represents God's presence, truth, holiness, revelation, righteousness, life and victory. Darkness represents sin, fear, confusion, evil, oppression, ignorance and any form of bondage. Therefore, in **this month of June** we should be in expectation to **divinely walk in the things of the light and overcome the aspects of darkness** in our lives and in our environment.

I also hear that this month God is helping us to **pray against any disaster that is in the atmosphere**, especially disasters that are connected to the different **ways of transportation** like cars, boats, ships or planes.

I see a season of **deeper revelation and clear prophecies**.

I also see how revelations and prophecies that have been given before over nations or organizations are moving and manifesting.

This is not a season for believers to hide. God is raising voices, leaders, revivalists, worshippers and soul winners to **shine boldly like never before** in this season.

And **every hidden attack**, deception, manipulation and confusion **shall be exposed by God's light** in this season, particularly attacks or conspiracies against people in the area of their profession or place of work.

I also hear we should do the following **declaration** during our prayers this month:

„I walk in the light of God. Every darkness around my life shall disappear. I shall rise and shine. The glory of the Lord shall be seen upon me. I shall walk in victory, wisdom and revelation. No power of darkness shall overcome me. My family and my generation shall see God's glory.“

Good News:

I also hear that in **this June many will receive clarity, vision, divine strategy and wisdom for the next season**.

There's an increase in grace for the Body of Christ to have truth over deception, healing over sickness, peace over fear, joy over depression, unity over division, faith over doubt, victory over oppression, holiness over compromise and life over death.

Prophetic word for 2026 to continue to pray for this month:

Germany

As prophesied already on the 17.12.2025, even before the major burglary in Gelsenkirchen on 30.12.2025, let's **keep praying for major cities against any kind of attack of the enemy.**

Because I see an attack going on in different cities and I also see it resulting into riots and protesting in 2026. Pray also for the lawmakers **against the spirit of confusion and division** in Germany, because I see the spirit of lawlessness and wrong laws rising in that nation.

And then I also heard, **pray against evil gangs that are conspiring in different camps in Germany**, even as we speak. Pray that they will not be able to carry out their evil agenda, that many of those gangs will be busted or arrested before they can act. Because **God says He will be exposing the training grounds of those wrong gangs that are ongoing as we speak.**
