

Prophetic Focus of May 2026

By Apostle John E. Sagoe

Topic: Spiritual Fruit

Key verse: John 15:5

I am the vine, you are the branches. He who abides in Me and I in him bears much fruit, for without Me you can do nothing.

Welcome to our month of spiritual fruit!

This month, we will see **visible evidence of a life transformed by God**, whereby a believer constantly produces Christ-like character, godly action and lasting impact through the work of the Holy Spirit.

It is a season of **manifestation of every seed we sow in the spirit realm**, therefore let us sow the right seeds.

A lot of victories will be won in the spirit realm this season for the Body of Christ, so we have to put on the full armor of God to be prepared for spiritual warfare.

I also hear that this is a time to **intentionally grow in Christ's character**, focusing on producing the fruit of the Spirit in our daily lives.

God is also calling us as believers to **move from spiritual infancy to maturity**.

This is a season of **transformation** in every area of our life, **from within to outward action**.

It is also a season to **abide in God** and deepen intimacy with Him.

I see how through **prayer and their personal spiritual walk**, many people will be constantly encouraged to see what they need to change.

Many people will have the urge to do a **personal inventory** so that what is not of God will be **cleansed** out, in order to allow what God wants to remain in us to remain. This way we can **grow more and more in our relationship with Him** and increase in understanding of love, patience, and forgiveness.

This personal inventory is also going to prepare us as believers to **take on a new dimension of spiritual responsibilities**.

Believers will become **more hungry for the things of God**, which will then **lead into maturity**.

I also see many **people being called into their specific assignments**, which will help them move beyond every limitation and bring true transformation to their environment.

Watch out for a season of **divine connections** that will bless us and many around us for a very long time.

It is a **month of divine transition** where a lot of things will be terminating and new things will be revealed, **from good to best**. Some of the things happening in this transition season will require us to be sensitive in order not to go into the wrong direction or to worsen situations.

The spiritual realm is very sensitive, and whatever we sow into it, we shall reap.

Good news:

I see a month where a **strong spiritual life brings direction, protection, and peace**. It will give us more discernment and strengthen our faith.

This month is going to be a month where **right relationships** will bring favour, support, and breakthrough, and will also open doors and accelerate our destinies.

I saw how God makes things possible that were initially looking impossible this month. So I hear that this is a month of last-minute blessings.

Things to watch out for:

- **Wrong connections and wrong relationships** that lead to bad business deals and poor ministry outcomes. Bad relationships could bring delay, confusion, and destruction in our destiny and **pull you away from purpose**.
- A **weak spiritual life**, which could lead to confusion, vulnerability, dryness and open doors to wrong decisions.

Prophetic word for 2026 to continue to pray for this month:

Prophetic word concerning the Church:

The Lord says that any church that does not allow His people to walk in His will, He will permit division in that church so that the sheep will scatter and will follow the way of the Lord. It's kind of like the Spirit of the Lord saying: „**Pharaoh, let my people go!**“

And then I hear, **woe to any church or any human that will bring division in a church because of their own selfish reason**. The Lord said He Himself will fight these people or the groups of these people.
