

Prophetic Focus of November 2025

By Apostle John E. Sagoe

Topic: Keep Us Revived!

Key Verse: Jude 1:20

But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit.

Congratulations, dear beloved! Welcome to the month where **God wants to keep us revived.**

Take note: **to be revived is divine, but to stay revived takes spiritual discipline and humility and continuous total surrender.**

I see a month where God is calling His people to keep pursuing Him beyond yesterday's encounter. **Hunger keeps Heaven open.**

God is also calling us this season to **read, meditate, and declare the Scripture daily to keep the fire of revival burning in us.**

Revival suffocates where prayer ceases, so let us pray without ceasing. **Prayer keeps spiritual oxygen flowing.**

This is the month God wants to help us to **overcome bitterness and division** because these things drain spiritual vitality.

Forgiving quickly and loving deeply will be the grace that God releases in the atmosphere this season.

I see a month where **repentance** will keep hearts tender.

Pride and unconfessed sin can extinguish the spirit of revival in us.

Note:

It is important whom we associate and surround ourselves with in this season — **we need people who challenge, inspire and stretch our faith**, because bad or cold company will kill the revival fire in us. Let this be a warning sign to us.

This is also **a month of fresh instructions that release fresh fire.** Let us look out for these fresh instructions and be obedient to them.

I see a month of **sudden things happening around us** — both challenges and blessings — but God will help us to be alert and prepared to face both challenges and good unexpected things, be it in our personal lives, or in our world generally.

Good relationships will come into our lives this season that will help to keep the door of revival and the door of Heaven open for blessings and favor.

A reminder of the past Prophetic Focus for this season:

I see the coming **Hour of Encounter Prayer Conference** how God will help people by giving them **divine acceleration**, especially in the seven mountains of society. I see how God will help us in the Kingdom Business Conference of the first two days to receive **spiritual tools** to help us be in God's speed and to see His hand upon our lives.

Take note that it's a time of thanksgiving and of strengthening believers through the entire conference.

Another reminder of the past Prophetic Focus for the coming winter:

This season we are going to be more and more prepared towards the coming winter. **God will prepare us to stand strong and to continue to fight every spirit of depression** that the enemy is bringing into our world in this year 2025.

Prophecy for the year 2025 to continue to pray for:

General prophecy

I see **a lot of tension** here and there generally in our world, but it will not result into a world war. Because this year, the world is going to go into **a lot of negotiation and settlement**. So it's a year where leaders will try to seek for peace. So let us pray that the Prince of Peace, Jesus Christ, will preside over the world.
