

Prophetic Focus of September 2026

By Apostle John E. Sagoe

Topic: Spiritual Growth

Key verse: Jude 1:20

But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit.

Welcome to the **month of spiritual growth**, where we will see spiritual fruitfulness, completeness, and the work of the Holy Spirit.

I see a month where we will **know God more deeply**. Not only knowing *about* Him, but knowing His heart, His voice, His ways, His presence and His power.

September will be a month of **deeper intimacy, greater revelation** and spiritual growth.

Let us make this **prophetic declaration for September daily** as it will help to set the right spiritual atmosphere each day:

I declare in this September, with the help of the Holy Spirit, I will grow deeper, stronger, wiser, and more fruitful.

I refuse spiritual stagnation.

I will grow in prayer, grow in the Word, grow in faith, grow in character and grow in discernment.

I will grow in the knowledge of God.

I am moving from one level of maturity to another.

I will grow in the prophetic ministry,
in the mighty name of Jesus.

I see a month where we will **become more sensitive to the Holy Spirit** than ever before.

Let us be spiritually ready, because this month God wants us to **grow in understanding His strategies** for winning spiritual and physical battles.

Let us **sharpen our spiritual sensitivity, deepen our prayer lives and grow in discernment so that we can recognize** the leading of the Holy Spirit **and respond** in faith and obedience.

God wants us to grow in the following dimensions:

- In the word - I Peter 2:2
- In praise and worship - Psalm 34:1
- In prayer - Jude 1:20
- In faith - II Thessalonians 1:3
- In grace - II Peter 3:18
- In love - Philippians 1:9
- In character - Galatians 5:22-23

- In spiritual discernment - Hebrews 5:14
- In fruitfulness - John 15:8
- In holiness - I Peter 1:15-16
- In the prophetic - I Corinthians 14:1
- Grow into Christ-like maturity - Ephesians 4:13-15

Watch out for every spirit of fatigue and weariness that wants to cause us to give up before our breakthrough arrives.

Watch out for every **spirit of familiarity** that wants to make us take spiritual things for granted and hinder our growth in this season.

Good news:

I see a month where God is going to help us to carry on with the **spirit of excellence in our ministries and our assignment**, both in our professional lives and in our spiritual lives.

I also see this month of September as a month where we will receive **supernatural favour** in our ministry and our place of work.

I see the **14 days of fasting and prayer** at the end of September until beginning of October as a significant season of spiritual preparation for our Praise festival in October from the 6th to the 11th.

This season of fasting and prayer will position us spiritually and prepare us for double blessings in October. Therefore, let us make every effort to participate fully and not to miss what God wants to do in our lives.

I see a huge breakthrough coming out of this season of prayer and fasting. What God will do will not be limited to September and October. I believe the **spiritual strength, direction and momentum** we receive **will carry us through the remaining months of the year** and we will finish well to His glory.

I see **hunger for the things of God rising** again within us like never before, especially where we have lost hope and where we have lost the fire for the things of the Kingdom.

Section of the Prophetic word for 2026 to continue to pray for this month:

Prophetic word concerning the Church

The Lord says that any church that does not allow His people to walk in His will, He will permit division in that church so that the sheep will scatter and will follow the way of the Lord. It's kind of like the Spirit of the Lord saying: „**Pharaoh, let my people go!**“

And then I hear, **woe to any church or any human that will bring division in a church because of their own selfish reason**. The Lord said He Himself will fight these people or the groups of these people.
