

## Prophetic Focus of February 2026

By Apostle John E. Sagoe

### Topic: Spiritual Focus

Key Verse: Colossians 3:2

*Set your mind on things above, not on things on the earth.*

This month, I see how **focusing on spiritual things** will help us **to be victorious**.

As we may already know, **spiritual focus is intentional discipline, alignment of our heart, mind and action with God's presence and His Word**. It connotes the pleasure of allowing the Holy Spirit govern our decisions and daily living, despite external distractions, pleasures or opposition.

I see a month where **spiritual deception is increasing globally**, making way for the antichrist and false teachings because **moral standards are rapidly shifting**, calling evil good and good evil.

I see an **increase of natural disasters as a result of an increase of sinful nature** that opens the door for the enemy to strike certain communities and countries in our world this month.

**Digital distraction** is consuming our attention more and more, especially distracting godly people to focus more on natural things.

So let us **fix our eyes on the things that God is doing** because it is completely **opposite of what is happening in our world** today.

I see a season where fear-driven narratives are dominating our media today. But God has not given us the spirit of fear. So let us **overcome fear with positive declaration from the Word of God**.

**Pray against every spirit of division in our political leadership.**

Also pray that **God will give a solution for peace** rather than war that is constantly knocking on our doors in 2026.

As prophesied already concerning the **USA** in 2026, let us **pray against the internal tension that is rising**. Pray that God will give President Donald Trump the grace to be able to make right decisions and handle the situations properly.

Also let us **pray against division in politics that is rising globally** this February. Let us pray that God will give a solution and bring peace in those matters.

Good news: I see **the living Word of God rising more than ever before in our dying world**. So the Church is called to shine brighter than ever before because we are the light of the world.

Watch out: I see **a lot of battles being won in the spiritual realm this month**. Let us not be afraid of engaging in spiritual warfare because else we cannot get the victory. Therefore let us put on the full armor of God according to Ephesians 6:12:

*For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.*

Prophetic Word for the year 2026 to continue to pray for this month:

#### Social Media

It is a year of **evil manifestation of social media**. So parents, take care of your children. Indeed, there will be evil rising in our social media **like we have never seen it before**.

We will need to watch out for **evil transactions that will be on increase to divide relationships**, destroy families, scatter churches and **bring lawlessness agenda and Antichrist agenda to the surface**.

And this propaganda, sayeth the Lord, will be fueled by online services, all manner of social media tools, including AI.

So parents, husbands, everybody, be alert. Because this year a lot of destruction will be coming from that place. It's going to be a tool of the Antichrist for this year.

This year we are going to hear a lot of news coming out of social media and many of these reports will involve all manner of atrocities, evil exposures, blackmailing, and at the same time bringing greater confusion into our world.

The **primary target will be to destroy the successful Kingdom people**. But I hear the Lord say we should not worry because what the enemy meant for evil, **God will turn it around for the good of the Church**.

Therefore, if you do not have a thick skin and emotional stability, you can become emotionally disorientated. And in that way, your career can be in danger or even destroyed through this means of social media war.

**Therefore guard your heart, strengthen your mind and stay grounded in the truth and in the wisdom of God.**
