

Prophetic word for 2026 - Our year of the Holy Spirit

Before I go into the general prophecy, let me release the key scripture that the Lord gave to me for this prophetic assignment - Isaiah 60: 1-3 (NJKV):

Arise, shine, for your light has come and the glory of the Lord is risen upon you. For behold, the darkness shall cover the earth and deep darkness the people. But the Lord will rise over you, and His glory will be seen upon you. The Gentiles shall come to your light, and kings to the brightness of your rising.

So in this year 2026, **our year of the Holy Spirit**, I see the Holy Spirit working in four dimensions in our world:

1. He is transforming hearts of people
2. He builds unity and peace in families this year
3. He changes atmospheres of cities this year
4. He redirects destinies of nations this year

General prophecy

Watch out for the first 60 days of this year as **we will conquer the spirit of depression** that wants to rise in different areas.

In the **third week of every month**, God is calling us to **watch out** in 2026. For this reason we will conduct a special online Communion service on every Monday of the 3rd week of every month.

If you are **born in January, March, June, August, October and December**, in 2026, please put alarm to remind you to **pray for your life and destiny**. If possible, fast and pray any of the days or all the seven days before your birthday, as your faith can carry, as the Holy Spirit leads you. By so doing, you are handing over the battle to the Lord. Because **evil ones want to do evil or carry out their evil agenda around or on people's birthday in 2026**.

Therefore we are prophesying that there shall be no loss or attack of destiny.

So our prayer is that our destiny shall not be hijacked and there shall be no loss. Not in our lives and not in our families.

If your **birthday falls on a church day**, whatever day of the week your birthday is, go to church. When you go there, go to the altar and pray, and if God lays it in your heart, sow a special seed on your birthday in whatever church you go, on their altar, and let the pastor or the leader of church pray over you.

No matter which month your birthday is, **seven days before your birthday, let Holy Communion also be applied every day.** If you can embark in that, please do it. The Holy Communion **concerns everybody** so that we are not taking chances. Amen.

Prophetic word concerning the Church

The Lord says that any church that does not allow His people to walk in His will, He will permit division in that church so that the sheep will scatter and will follow the way of the Lord. It's kind of like the Spirit of the Lord saying: „**Pharaoh, let my people go!**“ And then I hear, **woe to any church or any human that will bring division in a church because of their own selfish reason.** The Lord said He Himself will fight these people or the groups of these people.

Prophetic word about social media

It is a year of **evil manifestation of social media.** So parents, take care of your children. Indeed, there will be evil rising in our social media **like we have never seen it before.** We will need to watch out for **evil transactions that will be on increase to divide relationships,** destroy families, scatter churches and **bring lawlessness agenda and Antichrist agenda to the surface.**

And this propaganda, sayeth the Lord, will be fuelled by online services, all manner of social media tools, including AI.

So parents, husbands, everybody, be alert. Because this year a lot of destruction will be coming from that place. It's going to be a tool of the Antichrist for this year.

This year we are going to hear a lot of news coming out of social media and many of these reports will involve all manner of atrocities, evil exposures, blackmailing, and at the same time bringing greater confusion into our world.

The **primary target will be to destroy the successful Kingdom people.** But I hear the Lord say we should not worry because what the enemy meant for evil, **God will turn it around for the good of the Church.**

Therefore, if you do not have a thick skin and emotional stability, you can become emotionally disorientated. And in that way, your career can be in danger or even destroyed through this means of social media war.

Therefore guard your heart, strengthen your mind and stay grounded in the truth and in the wisdom of God.

Prophecies for nations

Starting with Switzerland:

I saw a **need for more medical institutions** to be established because in the coming year, **cases that will require medical attention and medical support will be on increase in Switzerland.** Generally, there should be investment in the area of modern and medical facilities.

Pray for the borders of Switzerland, and I also see at the same time invaders at different borders of Europe. The **enemies are planning to enter those countries including Switzerland to carry out their evil enterprise.**

God is calling us in Switzerland in 2026 to **watch out for any evil agenda**, more especially in the very early hours of 2026, but also to watch out during the year.

Still in Switzerland, I see a year where **political leaders are losing joy** because of confrontation and a kind of difficult task that will be rising. If care is not taken, this will open the door to different kinds of politics that we have never seen before, because **the enemy is cooking frustration in the political arena**, and this is on increase even as we speak.

So let us pray for our politicians and also pray for our governments.

Then I see a twist, a turnaround, a change in our political realm in Switzerland, that we will begin to see the emerging and rising of unknown political parties in a very high speed.

And we believe that **the Church is going to play a very important role in this by praying** that God will order the steps of our government and our politicians. Because I saw in the realms of the spirit how a time is coming where **a lot of laws are going to rise against Christian values**. We thought we have already seen some, but more are coming. So we need to rise and say, enough is enough.

The Body of Christ must pray so that the plan of the enemy will not prevail, in Jesus' name.

Then I hear Germany:

As prophesied already on the 17.12.2025, even before the major burglary in Gelsenkirchen on 30.12.2025, let's **keep praying for major cities against any kind of attack of the enemy**.

Because I see an attack going on in different cities and I also see it resulting into riots and protesting in 2026.

Pray also for the lawmakers **against the spirit of confusion and division** in Germany, because I see the spirit of lawlessness and wrong laws rising in that nation.

And then I also heard, **pray against evil gangs that are conspiring in different camps in Germany**, even as we speak. Pray that they will not be able to carry out their evil agenda, that many of those gangs will be busted or be arrested before they can act. Because **God says He will be exposing the training grounds of those wrong gangs that are ongoing as we speak**.

Then I hear Austria:

I see broken **family structures on increase** that result in divorce, abandonment and fatherlessness that is affecting the emotions and the mental state of the people. This will again be responsible for increasing health challenges in the nation of Austria.

Then I also saw **spiritual emptiness: When a nation turns away from God people lose their identity**, and that is on increase now in many places and regions in Austria. But I hear the Lord say that this is also **a sign that the manifestation of the Spirit and the move of God is coming closer and closer** like it has been prophesied already last year for Austria. So the churches must not give up because we are getting closer to see the mighty move of God. **The thicker the cloud, sayeth the Lord, the heavier the rain**.

Ukraine:

I hear **economic hardship is on increase because of the war**. I saw widespread poverty, unemployment, and **many people getting into hopeless situations**. Anxiety is on increase among the citizens and causes deep psychological wounds.

And then I also heard that **plans must be made for counselling against trauma that come from the war**. Because this is even more devastating and more needed than rebuilding the physical structures. So that tells you that we are at the verge of breakthrough.

If this is not done in the right way, even when the war stops, it will result in violence, civil unrest, crime and internal terrorism. So we have to pray for Ukraine.

France:

I hear the **youth of France is entering more and more a season of disillusionment**. When young people lack vision, it is difficult for them to take the opportunity to be mentored.

And what I saw in the realms of the spirit is the **quick spread of depression like a wildfire** among the young people in France. And we will see **more and more misbehaviour of young people**.

And we will also see misunderstanding rising in the government in 2026.

So people of God, let's pray for France.

UK - United Kingdom:

I saw a **health crisis and then I heard national mourning**.

The Lord said, let us pray for the prominent people, and **pray against any health crisis** that would result into death, national grief or depression and **would cause many people to enter the realm of loss of identity**.

I saw what is going on in the realms of the spirit in the UK like a **double-edged sword**: On one side, I saw this health crisis, this loss of national identity and purpose in life. But **on the other side, I saw also the light of God rushing into different particular churches** to lighten up the nation with the glory of God.

Let us pray that the UK will not reject the help that is coming from Christians from outside their country.

Then let's move to the USA:

I saw **internal tension in the nation rising and causing more political crisis**. So let us **pray for the current government**, more especially President Donald Trump, to be able to handle the situation.

I see the **party of the Republicans experiencing the spirit of betrayal rising within them**. It is getting stronger than ever, and this is going to lead into **division** within the party in the next 20 months if not addressed. And this would affect them in the coming elections.

This year, I saw an **increase in attacks from the opposition against the current government** in the US.

The USA and many nations around the world will feel the **negative effects of social media because of the constant exposure to bad news**. **Misinformation** will be on increase and this will cause anxiety and despair.

Then I hear the southern African countries:

It is your spiritual time, says the Lord. The southern African countries are the following: South Africa, Namibia, Botswana, Zimbabwe, Zambia, Mozambique, Eswatini, Lesotho, Angola and Malawi.

A wind of revival and the move of God is blowing in their direction. If you as a child of God are living in one of those countries and you are planning to leave it in 2026, hear the word of the Lord: The Lord says I should tell you: Rethink, because you will be missing out on the plan of God. Because **God is moving that region from pain to purpose** and deliverance from bloodshed in the past that has resulted into corruption and injustice. **God is delivering that region.**

I hear also that **systematic injustice, lack of accountability that creates national frustration and hopelessness are coming to an end.**

I hear **no more time of people living just to survive.**

Those nations shall not be spiritually silent anymore. Their churches will rise and they will serve the Lord like never before. **Southern Africa shall rise in righteousness, revival and restoration**, in Jesus' mighty name.

I see many of the churches in southern Africa **moving from religion to revival.**

Then I hear Uganda:

We need to pray a lot for **Uganda's coming elections in January. Because the wind of change is blowing** in that nation. In the coming elections, many old politicians will lose their seats to younger and fresh politicians.

I hear we should **pray for Bobi Wine.** Because the Lord says, **don't give up the fight because the hand of God is upon you.**

We need to pray that the international observers that will be witnessing and observing those elections in January will be doing diligence to the election, because I hear the Lord say, if they do, there will possibly be a big change in the nation.

Let's leave it there.

I'm now in the nation of Ghana:

A year of creativity and innovation, says the Lord.

God will use this year to lift up the current administration or the current government to move many people in the nation into creativity by generating new ideas, ways of doing things, doing business, doing ministry. There is enough room for things that have never happened before in the nation of Ghana to begin to happen through the spirit of creativity that Heaven has released over the nation. And **the current government has become a channel that allows it to prosper.**

I hear that 2026 is **a year of improvement** for the nation, making things better than ever before and more effective. So I hear that it's going to be a hard work year for both the government officials and the politicians in the land.

I also hear, it is **a year of solving real problems and meeting up real needs of people.**

And then lastly, I hear that this year, God is going to empower many people by **putting different ideas into practical use.** So many people that have had ideas, visions or dreams, and have not been able to realise them, the Lord says to Ghana, it is a year of application, ideas will be put into practice.

Then I hear a prophetic word for Nigeria:

I saw the release of **Nnamdi Kanu**, he's one of the political activists that been put into prison for many years. And I saw fear and worries of politicians, that **he may journey from prison to palace** like the story of Joseph. The Lord is calling us to pray for the health of Nnamdi Kanu. This mandate that God has given to him will require prayers, wisdom and divine alignment. I saw a season of preparation that God has put him through in this time that he is in prison. Now remember the person I am talking about has been given life imprisonment, the one I'm saying they will release.

I saw that **a door is opening for him for preparation towards the leadership of presidency**. I also saw that God is going to do some miracles, and God is going to turn situations around. Nnamdi Kanu's release might be controversial and difficult, yet **who can say No if God says Yes**.

However, I want you all to **pray for the Nigerian 2027 elections**. Because the Lord says **things are going to be turned upside down** in the sense of what has never happened before in Nigerian elections is about to happen. God will make a way for the Cabal of the Nigerians not to be able to control the coming elections. It's not because anybody is behind it, but it's because **it is time for change**.

So people of God, 2026, that is the word of the Lord through His servant.
